

Double possible Triple down Right field line – Runners on 1st, runners on 1st and 2nd or bases loaded.

- Pitcher Go halfway between home plate and 3b, “read” the play and backup the appropriate base.
- Catcher Cover home plate
- 1Bman Hang at 1b until the ball clears the right fielder, then trail about 30 feet behind the 2Bman and call the play
- 2 Bman Move into a relay position in line with home plate, listen for call.
- SS Move into a second relay position to 3b, “read” the play, cover 2b if necessary. Also look for overthrow/errant throw of 1st cut home and read
- 3 Bman Cover 3b
- LF Move into a position to backup 3b or 2b
- CF Cover 2b or backup right fielder
- RF Field ball and make a strong, accurate throw to the relay man.
